Second Grade Summer Reading

Dear Incoming Second Grade Families,

Summer is a time for more rest and relaxation. Summer is also a very important time to maintain and strengthen already acquired reading skills. Research shows that learning loss can occur over the summer if children do not practice their skills. Use this time to encourage children to explore new titles and choose their own reading interests. Don't forget, there is no better time to get lost in the adventures of reading! Your local branch librarians will be happy to help you find all books.

Choose 2 of the following chapter books. An assessment and/or project will be given during the first quarter.
