Dear Parents of Incoming 5th-8th Grade Students,

Summer is almost here! While it is a wonderful time to rest and relax, students should also be keeping up with their daily reading to improve comprehension and vocabulary. Students who read over the summer will be much better prepared and ready to begin a new school year at the end of August. Please discuss the list of books with your student, look up information about the books, and have your student choose at least 2 of the required books for their grade level (see provided lists below). While there will not be a required test or project on these books, students should be prepared to discuss their summer novels upon returning to school in August.

Happy Summer, and Happy Reading!

Mrs. Coverdale
